Activity Plan

1. Faith is a **BIG** word. It means something different to each person. Close your eyes and think about the word faith. What comes to your mind? Is faith people, places, things, or activities?
2. Look at the video [Johanna on Faith](#). Johanna has a word she thinks means faith. Her word is trust. Trust in God and trust in everyone around us.
3. Fill in the words below to make your own words about faith.

"Hi, my name is _____. Faith is _____"

4. Decide how you would like to learn more about faith. Look at the Faith worksheet to see some choices. If you decide to create using art materials, such as paint or colored pencils, use a different piece of paper.
5. Hold up your faith creation and say this prayer:

"Oh Creator, thank you for giving me the ideas to create. Faith is important and each time I create I learn more about you and more about myself. Amen"

Variation

Try this idea to inspire faith in others. Copy your creation and give it to your friends and family. Pass on the faith by passing on your creation.
