

Our church is part of the national C3 project which is focused on helping people of all ages discover and live God's callings in their lives. We are inviting you, and all of the young people in our church, to complete this personal reflection on your faith life and on how you are being called to use your God-given gifts.

Our calling from God involves **who we are** - as daughters and sons of God, **how we are called to live**- as followers of Jesus Christ, and **what we are called to do**—the work, service and activities of our daily lives. Everyone has a calling from God. As a young person God is calling you to live a life of meaning and purpose, and use your gifts everyday to make this a better world for everyone.

By completing this survey you will help our church leaders better support you in living God's calling and growing as a Christian. Thanks so much for participating in this activity. Your contribution will be very helpful!
